Sasha Kletsov has forged an interdisciplinary career in filmmaking, excelling as an editor, composer, producer, and now director. His work as composer and editor has garnered recognition at prestigious film festivals worldwide, notable credits include *The Grace* (2023), premiering at the Cannes Film Festival and winning multiple awards; *Froth* (2018), awarded at IDFA; and *Ges-2* (2021), premiered at the 78th Venice Film Festival and *Pool without water* (2021) premiered at Bodyscope Film festival and *Nowness*.

Expanding his creative reach, Sasha is a producer and creative producer for two upcoming films: *Bloat* (2025, starring Ben McKenzie and Bojana Novakovic) and *Lifehack* (2025, starring Georgie Farmer and Yasmin Finney), both produced by Timur Bekmambetov (*Night Watch*, *Wanted*, *Abraham Lincoln: Vampire Hunter*, *Profile*).

Now transitioning to directing, Sasha is currently working on his debut feature film.
